

## The PKD Foundation & Living Kidney Donors Network

invites you to participate in a hands-on Workshop

### Having Your Donor Find YOU!

Sunday August 8, 2010 1:00 – 3:30 PM  
**(Please arrive 15 minutes earlier to register)**

**Location:**

**(At the site of the National Convention on PKD)  
Sheraton San Diego Hotel & Marina  
San Diego, CA**

The PKD Foundation and the Living Kidney Donors Network (LKDN) have teamed up to bring you an important educational and communications training workshop.

This Workshop educates people who need, or will need a kidney transplant so they understand the facts about living donation and have the skills to effectively communicate the information to others. The benefits of a kidney from a living donor, as opposed to one from a deceased donor, are indisputable. **If you are apprehensive about talking to others about your situation, or would like to learn more about pursuing a living donor kidney transplant, this Workshop is for you!**

If a family member or friend wants to help you spread the word about your situation, you could ask them to attend the Workshop with you.

You will leave the Workshop with a plan that will start you on the path to a successful living kidney transplant experience.

These are complimentary classes offered by the Living Kidney Donors Network Foundation and are taught by transplant recipients and living donors who bring practical applications to this critical subject.

Class size is limited - so please register by calling 312-473-3772 or emailing: [workshop@lkdn.org](mailto:workshop@lkdn.org) For more information on the Living Kidney Donors Network Workshop, please go to: [www.lkdn.org](http://www.lkdn.org)
